BOOK A WORKSHOP FOR
YOUR TEAM NOW

Understanding Gun, Gang and Knife Culture

TEAM TRAINING EVENT

Do you work with children and young people aged 10 to 21

Streetwise is a community based crime prevention programme which aims to educate children, young people, and professionals about the consequences of gun, gang, and knife related cultures. This is an opportunity for practitioners and professionals to engage in a staff training workshop designed to:

- To raise awareness of gang, gun and knife culture in Britain
- To develop the skills, knowledge and confidence needed to work with gang members
- To explore the reasons why young people joins gangs
- Explore the history of gangs and 'Britain's Gangland'
 - Explore the consequences of joining gangs
 - Explore weapon crime amongst young people
- To raise awareness of gang dynamics and recruitment methods
- Identify good practice models for gang and weapon crime prevention
- Understand how to use the Streetwise Resource
